2017 Technical Solutions Fund Awards

www.groundedolutions.org/opportunities/#technicalfund

As of September 12, 2017

Event Sponsorships

Columbia Community Land Trust - \$2,000 award to support an Arc of Justice screening and training for CLTs in the Midwest in August 2017.

Northwest Community Land Trust Coalition - \$2,500 award to support up to five travel scholarships for the NWCLTC Gathering in May 2017.

Women's Community Revitalization Project - \$3,000 award to support a series of events, including an Arc of Justice screening, equitable development conference session on CLTs, and a gathering of Pennsylvania CLTs in June 2017.

Grants & Technical Assistance Awards

Homestead Community Land Trust - \$5,000 award to support a program manual revision, including an updated pricing methodology, as well as HomeKeeper procedures and data hygiene.

Opal Community Land Trust on behalf of the **CLT Alliance of the San Juan Islands** - \$7,500 award to support a community organizer to support the early development of a campaign for a dedicated local funding source for affordable housing in San Juan County, WA.

Proud Ground - \$2,000 to support initial planning for a partnership with Habitat for Humanity Portland/Metro East in order to provide more affordable housing with lasting affordability in the region.

Philadelphia Association of Community Development Corporations - \$10,000 award to support a local policy analysis and market study to demonstrate the potential for an inclusionary housing policy to work for a range of housing projects and determine the value of possible density bonuses.
